1 A Yes.

2 Q And were you asking for that to be done --
3 was that a contract proposal for CSX, or were you
4 asking that to be the new tariff, the rate that you
5 were proposing?

6 A We talking getting back --

7 Q 2010.

8 A I don't recall if it was contract or
9 tariff or some combination. I don't think -- I
10 don't believe there was a desire one way or the
11 other, and if the parties could make it work, they
12 could make it work.

13 Q Was the proposal that you and Fredrik --
14 you and Fredrik made a proposal, correct?

15 A As I recall it came from John Booth on
16 behalf of CSXT.
